

**REMARKS**

A Notice to File Corrected Application Papers was mailed on 31 March 2004. The Notice required the submission of replacement drawings, those initially submitted being deemed unacceptable in that:

1. more than one figure is present and each figure is not labeled "FIG." followed by consecutive Arabic numerals or Arabic numerals and capital letters;
2. some of the drawings contain excessive text; and
3. the drawings as submitted are not electronically reproducible.

Applicants' response

Replacement drawings accompany this response. In the drawings, Figures 1 - 19 were corrected by adding "FIG." followed by consecutive Arabic numerals and capital letters, by removing excess language and by rendering the drawings electronically reproducible. Figures 20 - 90 were corrected by adding "FIG." followed by consecutive Arabic numerals and by rendering the drawings electronically reproducible.

Applicants do not believe that any fee is due with this response. If this is incorrect, the Commissioner is authorized to charge any amount due to Bingham McCutchen Deposit Account No. 50-2518, billing reference number 0045807-7011663004.
